- Childcare is available for children nursery through 5th grade.

MISSION STATEMENT

The Gathering provides a place for people to connect from many ages and stages of life. We encourage singles, ages 18-30, to attend. If you are a young professional, a single parent, or courting, this service is for you! It is a way to develop relationships and fulfill BCA's mission to know, grow, serve and share our love for God and our community. We gather Tuesday nights at 7 PM in the Attic. We would love to meet you!

SMALL GROUPS

Small groups are the foundation of the singles ministry as a whole. It allows us to build relationships with God and each other. The groups provide accountability and support among people going through similar stages of life.
