The Christian is to reflect the life of Christ and biblical ideals. Far too often, however, we settle for mediocrity in many areas of our lives. And as a result, relationships suffer, faith erodes, finances crumble, and hope dissipates.

▶ How can we maximize our relationships, improve our finances, live with courage, find joy in serving like Christ, become a person of faith, and live a godly life? Or, put simply, how can we live to please God? **Joseph's life story** is riddled with practical principles that God wants us to incorporate in our lives today.

2. BASIC CHRISTIAN BELIEFS CLASS

Whether you have been a Christian for just a week or for 10 years or more, Basic Christian Beliefs is sure to be an inspiring and helpful course for you to take. Join Pastor Jeff Duchemin and Randy Smith for a study that will explore the essentials of Christianity and give you a wonderful opportunity to deepen your faith in a variety of ways. You will enjoy the "small group feel" as well as a relaxed environment in which questions are encouraged. This 8-week class meets on Wednesday nights and is held several times throughout the year. Please sign up with Pastor Jeff via email at jeffd@bca-online.com or by calling 425.339.3303, extension 108. ~ ▶ **Wednesdays, Jan. 4 – Feb. 22, 2012 @ 7 PM in Room 203**

God's healing power in our lives through the 12 steps and 8 recovery principles. This experience allows us to "be changed." We open the door by sharing experiences, strengths, and hopes with one another. In addition, we become willing to accept God's grace in solving our problems.
