I give my permission for my child to take part in VBS which is conducted by Bethany Christian Assembly through its employees and volunteers acting on BCA's behalf. I agree to allow my child to participate in this event. I give my permission for BCA to use pictures taken during VBS to be used for promotional purposes. I authorize BCA and its employees and volunteers to secure any and all necessary medical services for my child in the event of an accident or illness. Further, I agree to be solely responsible for the payment of those services. I release BCA, its employees and volunteers of all liability and claims of any nature arising out of or resulting from the participation of my child in the VBS activities. I have read and understood these terms and agreement with them.

**Bethany Christian Assembly's  
All Stars Kids' Ministries  
Presents . . .  
PowerLab Vacation Bible School  
July 21-24, 2008 9am-Noon  
FREQUENTLY ASKED QUESTIONS**

**What is BCA's PowerLab Vacation Bible School (VBS)?** PowerLab is a highly interactive Vacation Bible School where children have fun visiting different learning stations. Here are the stations each child will visit on a daily basis:

- Sonic Sing Play (in worship center)
- Bible Blast Adventures
- Test Tube Treats
- Hyperspeed Games
- Chadder's Cinema Science
- Wacky Works Crafts & Missions
- Faith Fusion Finale (in worship center)

For more details about the stations and the content of Group Publishing's PowerLab curriculum, visit [www.groupvbs.com](http://www.groupvbs.com).

**When is PowerLab VBS?** PowerLab will take place Monday through Thursday, July 21st-24th, from 9am until 12 noon at Bethany Christian Assembly. Please arrive early the first day in order to pick up your child's registration materials and to introduce your child to his/her Crew Leader.

**Who is welcome to attend PowerLab?** All children from the community, preschool age (must be 3 years old and potty trained) through 5th grade (entering 5th grade in Fall 2008), are welcome to attend PowerLab VBS.

**How do I register?** Simply download a registration form by logging onto [www.bca-online.com](http://www.bca-online.com) and following the All Stars Kids' Ministries links, and then send the completed form to BCA with your \$15.00 per child registration fee. Registration forms are also available at the PowerLab display table in the church foyer.

**When does registration begin?** You can register your child now! Buddy choices are based on first come, first served basis, so register early.

**Can my child be in a crew with his/her friends?** Yes. Buddy choices are made on a first come, first served basis, so register early to ensure that your child is placed in a crew with his/her friends.

**Where do I drop off and pick up my child?** In order to keep each child safe, it is important that parents escort their child into the church lobby, check their child in at the registration table and receive matching security bracelets for themselves and their child on the first day. In order to pick up their child, parents must enter the worship center and check in with their child's crew leader before taking their child home.

**Can my child register for PowerLab if my child is entering 6th grade?** No. Your child is now eligible to attend TrueLife Student Ministries at BCA! TrueLife Ministries is the place for junior high and high school students. For more information regarding TrueLife Ministries, log on to [www.bca-online.com](http://www.bca-online.com) and follow the TrueLife Ministries links.

**Who are the visiting scientists and when are they coming?** The surprise visiting scientists will use exciting props to teach kids about science and God's creation. The visiting scientists will appear daily at the Test Tube Treats Station.

**What should my child wear each day?** Children should dress appropriately for the weather. PowerLab t-shirts are the perfect attire to wear to PowerLab VBS and are available for sale at the PowerLab display table in the church lobby. Hurry and purchase a shirt before supplies run out!

**What should my child bring each day?** Children are only required to bring one empty water bottle with a cap on Tuesday, the second day of PowerLab. Your child will use this bottle to make his/her craft during Wacky Works Crafts & Missions.

**What is Family and Friends' Night on July 24th?** Family and Friends' Night is an unforgettable evening of fun-filled activities. Inflatables, food, lively music, prizes and the concluding episode of Chadder's Cinema Science are just a few things that you and your family will experience. Make plans to attend. The festivities will start at 5:00pm with food and fun and the program in the worship center starts at 7pm and ends by 8 pm.
